MONTFORT'S SR. SEC. SCHOOL (Nursery to Std X)

The School is established and managed by the Montfort Brothers of St. Gabriel, an International Congregation of Catholic Church. The Congregation was founded by St. Louis de Montfort in 1715 in France. The Congregation started its educational projects in India in 1903. Today, it has eight Provinces and manages over 193 schools in India under the name of "MONTFORT SCHOOL". A spiritual vision, inclusive education, incarnational methodology, innovation and creativity, the best interests of the child, partnership and networking, respect for the community of life and quest for excellence are some of the characteristics of Montfortian Education.

St. Montfort's School, Baruipur, Kolkata has a lush green campus with well-ventilated classrooms, rich library, well-equipped Science, Mathematics and Computer labs, 2.5 m-wide Ramps, excellent fire-fighting system, Table-Tennis room, Modern Kid's Park, Basketball court, Football/Cricket field, and the ample open space provide an excellent ambience for holistic education. The entire campus is monitored with CCTV cameras and lady security guards on the school verandas for vigilance. St. Montfort's junior school is a lady staff school. The School would draw inspiration from the dynamism and courage of St. Louis de Montfort who contributed immensely to the promotion of human development and universal brotherhood. Classes run from Nursery to Std X.

VISION : To promote human development, universal brotherhood and national growth.

MISSION: To prepare citizens of character and quality by providing value-based, qualitative and inclusive education.

AIMS

1. To enable the students to develop a spiritual vision of life that helps them to seek the truth and live by it.
2. To cultivate attitudes of co-operation, collaboration, respect and concern for all.
3. To contribute to the personal and social transformation by providing opportunities for involvement, self-giving and sharing in the situations of people.
4. To form men and women of character, competence, courage, conscience and compassion through innovative curriculum.
5. To organize the school giving utmost priority to the welfare of the students.
6. To promote team spirit and interaction beyond school community.
7. To instill respect and care for the nature and its resources.
8. To create conducive learning environment that helps every student, each according to his/her aptitudes, to develop a high level of social, human, spiritual, emotional, physical and academic competencies.

THE EXAMINATION BOARD

The school is affiliated to CBSE, New Delhi, one of the recognized and approved All India Boards of Secondary Education. This choice will enable the school to create a balanced CBSE curriculum plan and help the students to face All India Competitive Exams with ease.

CO-EDUCATIONAL INSTITUTION

This is a co-educational institution by choice. We strongly feel that gender discrimination on any basis is absolutely out of place in today's world and wish to address this problem in our own way by giving equal opportunities for both boys and girls. This will help our students to be comfortable in the presence of each other and they develop a healthy understanding of each other which in turn leads to mutual respect and co-operation both now and later in life.

EXPOSURE TO TECHNOLOGIES

We believe technology should be seamlessly woven into the learning process, enhancing the curriculum across discipline and levels, providing students with the skills to use digital technologies that will help them now and in future.

SPORTS AND GAMES

The school encourages every student to take part in sports and games. Regular coaching for cricket, football, basketball and table tennis will be organized by the school.

INFRASTRUCTURE FACILITIES

- It is an eco-friendly campus away from air and noise pollution.
- The classrooms are spacious and comfortable with sufficient ventilation.
- The school has a well documented library which covers a wide range of books.
- Well equipped composite science lab and spacious computer lab with monitored internet use.
- The campus is under the surveillance of CCTV cameras for 24 hours.
- Every floor is supplied with purified drinking water with RO system.
- First aid facilities with doctor on call.

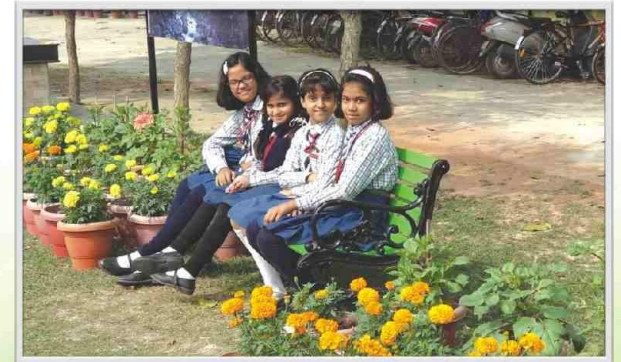

TEACHING STAFF

The school is proud to have a team of professionally qualified and experienced staff. They are trained to impart knowledge in strict accordance with the CBSE guidelines. The school provides child-centered learning opportunities so as to explore students' latent abilities and sharpen their personalities. Our Montessori and Primary School are having 100% lady staff including lady security officers.
